**Subject:** Case of COVID 19 reported in our Batteery Spaces Center

Dear Customer,

We are making you aware of a case of COVID 19 has been reported in this center today. The infected person is currently seeking medical support and will not be re-entering the centre until approved by a medical professional. The building and the CDC have both been made aware of the case and we are working with them on the appropriate protocol.

Your ongoing safety is our number one priority and we are arranging to have the centre disinfected by professionals as a precaution. This will mean a brief closure of our location effective immediately.

We advise that you continue to adhere to the advice around the centre on precautionary hygiene measures to take to help keep everyone safe.

We will contact you again once the centre re-opens.

If you have any questions, you can contact a member of the centre team.

Best regards,

Your Community Team

Please call or email with any questions.

Kind regards,

### MAIN RECEPTION

800 Battery Ave SE, Suite 100,  
Atlanta, GA 30339  
P: 678-383-4400
